JL,

The flat pattern is acceptable. We'll need to get the drawing updated.

Tyler, can you please update the drawing as soon as possible?

Subject: 647.4113/647.4112 FLAT PATTERN ERROR

Hi Pablo,
There seems to an error in the flat pattern on the dwg, Marc Bellavance had a quick look and came up with the file attached.

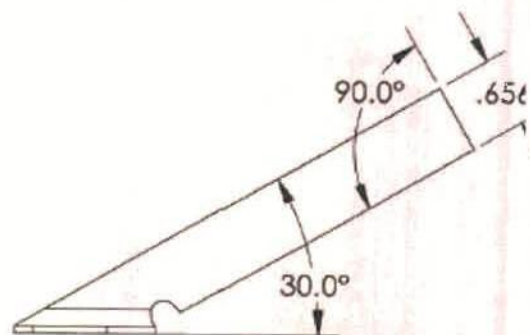

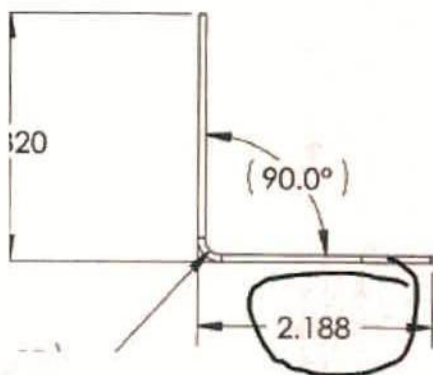

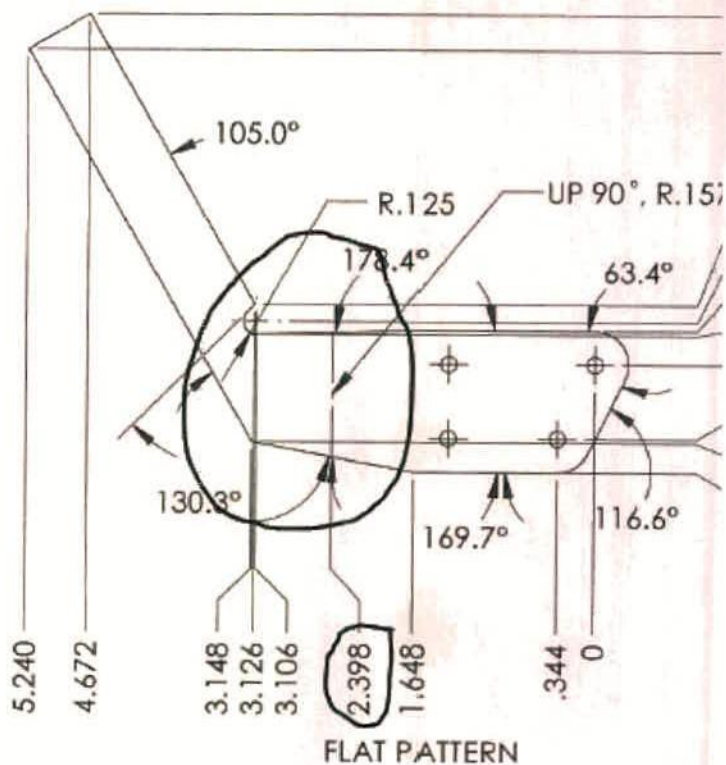

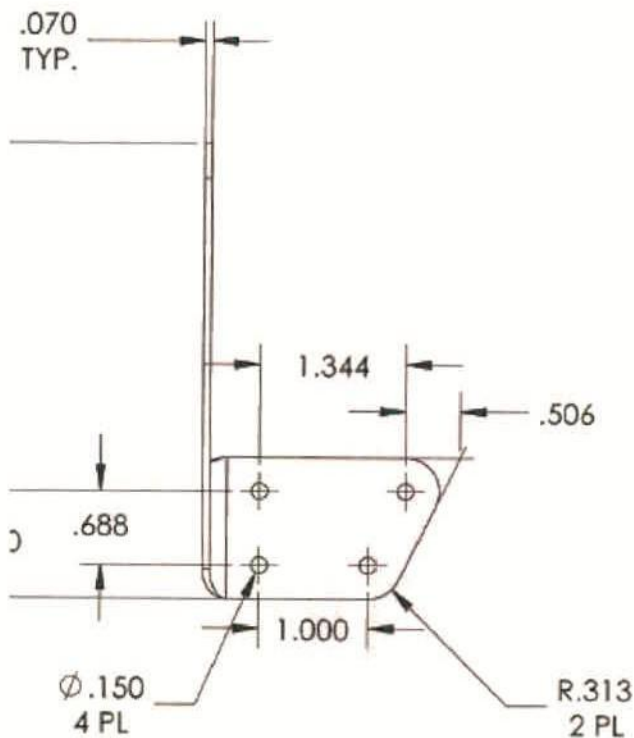

What is happening is the flat pattern is too long in the mid section(see snip below).

Let me know if you need me to issue an ecr for this one, and if we can continue with Marc's updated flat pattern.

If you agree with Marc's pattern, I will attach the email to the w/o so we can continue production.

Let me know,

JL
